

JOB DESCRIPTION FOR RUNNERS

Here are some hints that individuals with the runner responsibility have found useful:

1. Know where county teams will be meeting between matches (if possible). Announce who is on deck so teams are ready.
2. Keep the hallways near the contest rooms quiet.
3. Post the results on the bracket board outside the match room.
4. After you have posted the results, take the official score sheet to the bracket table to be filed. The bracket person will post results.
5. You are the door opener. No one should enter the room or leave the room during a match.
6. Seat yourself near the entry of the match room.
