

4-H Building Personal Computer Wireless Internet Access Agreement

More detailed explanations are available from 4-H staff at Regional Offices

If you have any questions, please contact Brad Rugg or Karen Nelson at the Center for 4-H Youth Development (800.444.4238 or 612.624.2116).

Please initial to signify understanding and compliance. Wireless access will not be granted without:

- There is an inherent risk to bringing and storing my personal computer while at the 4-H Building. I will take the necessary precautions to prevent theft, including usage of the lockers available (for which I must supply the padlock). In the event of loss or damage to my personal computer, I understand that the Extension Center for Youth Development is not responsible or liable for any loss I may incur.
- I will need to supply the required information set below before 4-H staff can provide wireless access for personal use. Limited staff assistance is available to set up personal computer access to the wireless network.
- Any abuse of wireless Internet access, or even suspicion of abuse, will immediately result in the loss of access. Those abuses may include, but are not limited to: music sharing, illegal downloads, viewing inappropriate websites, or anything that any 4-H staff person deems to be disrespectful, disruptive, or immoral.
- Any computer with Internet access (wireless or hard-wired) must not be left un-attended while it is still connected to the Internet, UNLESS the computer is "locked" with a password or password-protected screensaver. This is intended to prevent unauthorized Internet access by others.
- My computer will be monitored by U of M security mechanisms and if found to be infected, access will be lost and not restored.
- Technology staff will confirm my computer has the most recent Windows and Anti-Virus updates. I will need to have this ready to display to them when registering my computer as they WILL NOT DO IT FOR ME. Tech Staff will initial this bullet once completed.
- My supervisor must consent for me to use my personal computer to access wireless in the 4-H building at the fair. I understand that wireless access is provided for SCHOOL AND WORK PURPOSES ONLY (ie. no facebook, myspace, youtube, online games, etc.). If my supervisor determines that I am mis-using my access, I understand that I will lose wireless access on my computer for the duration of the fair.
- Access is provided to the individual on either a 4 day or 3 week basis, as to be determined by the supervisor. A temporary user ID and password will be emailed to the user that is not to be shared with ANYONE. (Email will need to be accessed from a computer other than mine).
